INSTRUCTIONS TO BIDDERS

By submitting a bid in response to this Request for Bids (RFB), you are asking Pocantico Hills CSD to accept your offer for the sale of goods or services. It is important that you read and understand all terms and conditions contained herein, as well as understand the laws that govern Municipal Purchasing in the State of New York.

Once Pocantico Hills CSD has opened bids, there can be no changes to price or terms, unless clearly specified in this document. In addition, there are no provisions to cancel after an award is made, except by Pocantico Hills CSD, which maintains a unilateral right to cancel or extend in accordance with the terms of this RFB.

Most bids contain provisions to either award on an item-by-item basis, lump sum or by group. It is rare that Pocantico Hills CSD awards an entire bid to one vendor (depending on the type of RFB). You must understand that you may only receive a part of the award from this RFB.

GENERAL INFORMATION

1. Sealed Bid Documents for the furnishing and delivering, and installing where called for, of the materials, supplies and/or equipment, as required by Pocantico Hills CSD, and as set forth in the Bid Documents must be received no later than the bid opening, which is being held on:

Monday, August 10, 2020 at 11:00 A.M.

at the Pocantico Hills CSD Board of Education Conference Room, 599 Bedford Road, Sleepy Hollow, New York 10591. In the event that the Pocantico Hills CSD is closed the day of the Bid Opening, the bid(s) will be opened the next day that the Pocantico Hills CSD is open.

2. All Bids must be mailed or hand delivered in a sealed envelope addressed to the Pocantico Hills CSD Purchasing Agent, at 599 Bedford Road, Sleepy Hollow, New York, 10591 on or before the hour and day stated above, and the envelope shall be clearly marked on its face with (i) the name of person, firm, or corporation submitting a bid, (ii) the Bid number and name, and (iii) the date of bid opening. This includes marking the outside of any express mail envelope that may be used.

3. Facsimile, telephone, or verbal bids or any modifications of Bid Documents will not be accepted or considered.

4. Bids received after the time stated in the Notice to Bidders will not be considered and will be returned to the Bidder unopened. The Bidder assumes all responsibility for having the Bid deposited on time at the place specified.

5. Each Bidder is requested to carefully read the Bid Documents as each Bidder will be held to strict compliance with such documents. Failure to fulfill any requirements of the Bid Documents may result in being considered non-responsive.

6. No modifications or additions are to be made to the printed Bid Documents. In the event the Bidder deems that modifications are necessary, such modifications must be set forth in writing to Pocantico Hills CSD in a separate document and submitted with the Bid Documents to be considered. However, any modifications or additions submitted may result in the Bid being considered non-responsive.

7. All information required in the Bid Documents must be provided by the Bidder to constitute an acceptable Bid.

8. Pocantico Hills CSD will interpret the submission of a Bid to mean that the Bidder is fully informed as to the extent and character of the services, supplies, materials, or equipment required and that the Bidder can furnish same in complete compliance with the specifications.

9. No charge will be allowed for federal, state, or municipal sales and excise taxes, from which the political subdivisions are exempt, or for any portion of a gross receipts tax, MTA surcharge or other tax or surcharge which was imposed upon the vendor.

10. The price bid for each item must be net and must include all delivery charges fully prepaid by the successful bidder to the destination indicated in the proposal, installation, preparation, clean up or other charges, except in the case of food products. Title shall not pass until items have been delivered and accepted.

11. All specifications are minimum standards and accepted bid samples do not supersede specifications for quality unless bid sample is superior, in which case deliveries must be the same identity and quality as accepted bid sample.

12. Bids for the provision of material, supplies and/or equipment must provide for same that are standard, new and of the latest model, and in current production, unless otherwise specified.

13. All regularly manufactured stock electrical materials, supplies and/or equipment provided must bear the label of the Underwriter's Laboratories, Inc.

14. Each bidder must state that their proposal, bid, and/or quotation is made without any connection with any other person or firm making any proposal, bid and/or quotation for the materials and/or installation listed. Each bidder must also state that no officer or member of Pocantico Hills CSD is directly or indirectly interested therein or in the supplies to which it relates, or to any portion of the profits thereof.

15. Pocantico Hills CSD reserves the right to accept this bid by item or as a whole or, in its discretion, reject all bids and re-advertise in the manner provided by Section 103 of the General Municipal Law. Also reserved is the right to reject, for cause any bid in whole or in part; to waive technical defects, qualifications, irregularities, and omissions if, in its judgment, the best interests of Pocantico Hills CSD will be served. Also reserved is the right to reject bids and to purchase items on County, BOCES or New York State Contract, if such items can be obtained on the same terms, conditions, specifications, and at a lower price.

16. Awards will be made to the lowest responsible bidder, as will best promote the public interest, taking into consideration the reliability of the bidder, the quality of the products, materials, equipment or supplies to be furnished, their conformity with the specifications, purpose for which required and the terms of delivery.

17. Where items or articles of equipment or supplies are designated as manufactured by a specific manufacturer, it is to be understood that the article as specified represents an accepted standard. Where certain brands of materials, apparatus, or equipment are specified, such goods have been selected in order to establish a standard for the particular service required; but it is not the intention to limit competition thereby.

18. The vendor must complete ALL information required on the bid form. Failure to fully complete all parts of any line item may cause the bid to be rejected.

19. Prices, and all required information, except signature of Bidder, should be typewritten for legibility. Illegible or vague Bids may be rejected. All signatures must be written. Facsimile, printed, or typewritten signatures are not acceptable.

20. At the time of the opening of the bids, if appropriate, each bidder will be presumed to have inspected the site and to have examined and to be thoroughly familiar with the drawings, general requirements and specifications (including all addenda thereto). The failure and/or omission of any bidder to receive or examine any drawings, forms, instructions, or documents shall in no way relieve such bidder from any obligation in respect to his bid.

21. The contractor shall furnish, deliver, and install completely, unless otherwise noted, material and equipment described in the specifications, with all appurtenances, parts or accessories not specifically mentioned in the articles described but necessary to render the equipment complete and ready for operation. All these parts and/or accessories shall be included in the bid price.

22. All of the furnishings and/or equipment furnished and installed under this contract shall be guaranteed by the contractor, in writing, for one (1) year after completion against any and all defects which are the result of improper design, materials, construction or installation, if called for. Immediately upon notice by the owner (at any time during the guarantee period), the contractor shall fully make good such defects by replacing same with new work, without cost to the owner. Prior to installation it is the responsibility of the vendor to be familiar with the site. The vendor must bid a fixed price for installation. The time and date of installation must be approved by the School District prior to starting any installation.

23. The placing in the mail of a notice of award or purchase order to a successful bidder to the address given in his bid will be considered sufficient notice of award of contract. Failure of the successful bidder to contact Pocantico Hills CSD to object to the award or prices therein, within seven (7) days of mailing of notice of award, will be considered an acceptance of the contract by the successful bidder.

24. Each vendor shall receive a notice of items recommended to be awarded to their firm. The successful vendor shall only ship items upon the receipt of a properly executed purchase order from Pocantico Hills CSD or a Participating School District.

25. If the successful bidder fails to deliver within the time specified in the bid specifications or on the purchase order or within reasonable time as interpreted by Pocantico Hills CSD (normally 30 days from receipt of purchase order) or fails to make replacement of rejected articles when so requested immediately or as directed by Pocantico Hills CSD, Pocantico Hills CSD may purchase from other sources to take the place of the item rejected or not delivered. Pocantico Hills CSD reserves the right to authorize immediate purchase from other sources against rejections on any contract when necessary. On all such purchases the successful bidder agrees to reimburse Pocantico Hills CSD promptly for excess costs occasioned by such purchases. Should the cost be less, the successful bidder shall have no claim to the difference.

26. It is mutually understood and agreed that the successful bidder shall not assign, transfer, convey, sublet or otherwise dispose of the contract or his right, title, or interest therein, or his power to execute such contract, to any person, company or corporation without the previous written consent of Pocantico Hills CSD.

27. Bid prices must be honored by the vendor for the period indicated in the Scope of Services. The bid award may be extended beyond the bid period by mutual consent of the successful bidder and Pocantico Hills CSD. The length of the extension will be determined by mutual consent of the participating parties for up to two (2) one (1)-year periods.

Items not delivered on a timely basis shall be dealt with in accordance with the provisions outlined in the failure to perform section. One purchase order may include delivery to multiple school locations.

30. Items shall be securely and properly packed for shipment, storage and stocking in new shipping containers and according to accepted commercial practice, without extra charge for packing cases, baling or sacks.

31. The successful bidder shall be responsible for delivery of items in good condition at point of destination. He shall file with the carrier all claims for breakage, imperfections, and other losses, which will be deducted from invoices. The receiving school district will note for the benefit of successful bidder when packages are not received in good condition.

In the event pricing does not match what is provided in the Bid Submission Sheet, payment may be held up until such discrepancy is resolved to the satisfaction of Pocantico Hills CSD Accounts Payable Department.

36. Payments of any invoice shall not preclude Pocantico Hills CSD from making claim for adjustments on any item found not to have been in accordance with general terms and conditions and scope of services.

37. No payment shall be made until all equipment is installed and operating to the satisfaction of the School District.

The Iran Divestment Act of 2012, effective as of April 12, 2012, is codified at State Finance Law ("SFL") §165-a and General Municipal Law ("GML") §103-g. The Iran Divestment Act, with certain exceptions, prohibits municipalities, including the District, from entering into contracts with persons engaged in investment activities in the energy sector of Iran. Pursuant to the terms set forth in SFL §165-a and GML §103-g, a person engages in investment activities in the energy sector of Iran if:

(a) The person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or

(b) The person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created pursuant to paragraph (b) of subdivision three of Section 165-a of the SFL and maintained by the Commissioner of the Office of General Services.

A bid or proposal shall not be considered for award nor shall any award be made where the bidder or proposer fails to submit a signed and verified bidder's certification.

Each bidder or proposer must certify that it is not on the list of entities engaged in investment activities in Iran created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the SFL. In any case where the bidder or proposer cannot certify that it is not on such list, the bidder or proposer shall so state and shall furnish with the bid or proposal a signed statement which sets forth in detail the reasons why such statement cannot be made. The District may award a bid to a bidder who cannot make the certificate on a case by case basis if:

Such determination shall be made in writing and shall be a public document.

CERTIFICATION

IRAN DIVESTMENT ACT OF 2012

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, added new provisions to the State Finance Law (SFL), §165-a and General Municipal Law (GML) §103-g effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b) and GML §103-g, the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

By submitting a response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Proposer (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

Additionally, Proposer is advised that once the list is posted on the OGS website, any Proposer seeking to enter into, renew or extend a Contract or assume the responsibility of a Contract awarded in response to the solicitation, must certify at the time the Contract is bid upon or a proposal submitted, or the contract is renewed, extended or assigned that it is not included on the prohibited entities list.

During the term of the Contract, should Pocantico Hills CSD receive information that a person is in violation of the above-referenced certification, Pocantico Hills CSD will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then Pocantico Hills CSD shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

Pocantico Hills CSD reserves the right to reject any bid, proposal or request for assignment for an entity that appears on the prohibited entities list prior to the award of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.
